

## DRY SKIN CARE SYSTEM

This deep hydrating treatment restores moisture and rebuilds the essential barrier of physically damaged skin in order to protect moisture and smooth complexion. Anti-oxidant factors are introduced to counteract fatigued skin and brighten the skin tone.

### PROTOCOL

|   |                             |         |   |
|---|-----------------------------|---------|---|
| 1 | Remove Makeup<br>[OPTIONAL] | 2-4 min | Remove makeup and impurities with <b>HYDRA CLARIFYING CLEANSING LOTION</b> (for light makeup) or <b>PHYTO MARINE CLEANSING OIL</b> (for heavier makeup).<br><br><div> <div> <b>Directions: Hydra Clarifying Lotion</b><br/>           Massage the clarifying lotion over face in a small circular motion. Remove with clean towel or moistened sponge.         </div> <div> <b>Directions: Phyto Marine Cleansing Oil</b><br/>           Massage the cleansing oil over face. Add small amount of water and massage again until oil turns milky. Remove with towel or moistened sponge.         </div> </div> |
| 2 | Cleanse                     | 2-4 min | Wet the face. Scoop a dab of <b>NUTRI-CALMING FOAM CLEANSER</b> onto hands and massage over face and neck. Rinse with warm water or remove with towel/moistened sponge. Pat dry.  |
| 3 | Tone                        | 1 min   | Use RENEO toner of your choice. <b>HA HERB TONER</b> is recommended for its moisturizing and regenerating effect. Use a moderate amount on cotton or gauze and apply evenly over face in circular motion.   |
| 4 | Serum                       | 2-4 min | Apply 3-5 drops of <b>BOTA REVITAL SERUM</b> onto face, neck, and décolleté in an upward outward motion. Use in the morning and at night. Avoid contact with eye.   |
| 5 | Hydrate                     | 2-4 min | Apply a dab of <b>MICRO-CERA CREAM</b> onto face, neck, and décolleté in an upward and outward motion. Use in the morning and at night. Avoid contact with eyes.  |
| 6 | Eye Care                    | 1 min   | Gently pat <b>ANTI-WRINKLE EYE CREAM</b> around eye areas.  |
